Nevertheless Derpl is the heir apparent to Blabl's galaxy-spanning business empire.. U S I for short) in one of Zork Industries' combat walkers Asking Derpl what form of devastation should be issued forth from his vehicle of destruction he simply drooled and said:"I wuv cats!"Now Blabl is anxiously awaiting the day that Derpl would suffer a fatal blow on the fields of battle but as of yet Derpl's combat walker has proven to keep making up for its dimwitted driver.. Derpl Zork lacks his uncle's business-smarts In fact Derpl lacks any kind of smarts, managing to get his IQ rated under the level of plankton in the official galactic IQ test.. Detonate it at any time with a second press Transform into a static Siege mode, enabling deadly weaponry.. The character can also be purchased with Awesomepoints in-game Derpl Zork is a complex tank that is able to transform into a heavily armed static siege mode, and lay snare traps while mobile.
